

Fun Family Campout Activities

- Go on a nature walk or hike to explore your campsite surroundings.
- Sing camp fire songs or make up new lyrics to some of your old favorites.
- Act out your favorite movie scene or create a skit of your own.
- Tell ghost stories, funny stories, legends, and stories with a moral.
- Make a camp art project (coloring books, finger painting, drawings of the nature you see, rubs and prints).
- Use a nature guide book to identify the plants and trees around you.
- Read your favorite book or magazine out loud with your family.
- Further explore your surroundings by playing a game of "I Spy."
- Use a star chart to identify the stars and constellations in the sky.
- Use a flashlight to create shadow puppets.
- Play flashlight tag.

Whatever you decide to do, make sure you have fun and spend time together!
