

Thank you for participating in Campout! Carolina 2011. The purpose of the event is to show support for a healthy environment and celebrate the beautiful natural areas we are so lucky to have here in North Carolina. It is important that we all take part in keeping our air and water clean, and preserving our natural resources. Below is a list of simple things you can do.

By filling out the following pledge and committing to complete at least two of the environmental stewardship actions, you will earn a Campout! Carolina patch. If you are already taking these actions, you can commit to encouraging friends or family members to be better environmental stewards.

I hereby commit to: (check 2 or more boxes)

Water Conservation

- Turning off the faucet while brushing teeth.
- Taking shorter showers.

Energy Conservation

- Turning off lights in rooms that are not being used.
- Shutting down computers and monitors when not being used.

Waste Reduction

- Cutting down on waste by bringing lunch to school in reusable containers.
- Using rechargeable batteries in portable electronics.

Natural Area Protection

- Learning the [Leave No Trace principles](#).
- Organizing a neighborhood or park litter cleanup.
